

Art Nouveau Nerea

Meet Nerea

Nerea is a Art Nouveau modern typeface with regular weight. My aim was to create a very elegant and naturalist typeface with some unique letterforms based in the curves of the nature - curves vs. strong straight lines - thin hair lines vs. thick stems - ball terminals vs. geometric serifs. These characteristics shape it into a glamorous display or text font primarily used for titles and large typography settings. Nerea has the personality of a sensual woman, feminine and delicate. It has an extensive glyph set that supports languages for the Americas and most of Europe.

undulating,
elegant,
just sensual.
